Fully editable pre-built assignments support the book's approach, and an e-book is included. \*A Pocket Style Manual is for the student what a multi-function pocket knife is to the survivalist—a compact, versatile, and practical tool. Motivate your writing through reading as the Brief Bedford Reader, 13th Edition, (PDF) takes you through a number of writing situations, teaching you the writing skills you'll need to do well in college and your future career. It's the one textbook a student can rely on for their college career." -Rick Garza, Reedley College "This is the most useful handbook I have used in thirty years of teaching. Read more Home Features New to This Edition Reviews Look Inside Available for the first time with Macmillan's new online learning tool, Achieve, A Pocket Style Manual provides practical advice for any level of college writing. New guides to research writing, with topics including integrating quotations and detecting false or misleading sources, advise students on working with sources. Straightforward instruction on grammar, style, and punctuation gives students quick answers to their writing questions.
